“ Sue and I worked together many years ago at Mayfield Grill when Phil S. owned it. We had so much fun together both in/out of work. I think back fondly to some of our escapades both in and out of work (especially during the holidays). Even through the sadness of this tragedy, I cannot help but break out into a big smile thinking about some of the fun times Sue and I shared back then. She was one of a kind, and the world has lost a truly wonderful person. My thoughts and sympathy go out to her family and many friends.

“ Where do I begin? Sue was like a big sister to me growing up with her brother(my best friend)Scott, she would take us fishing whenever Scott would ask! She was such a great person to so many people! You will be missed dearly Sue,I will never forget the night she had witnessed Scott and I jumping my truck through a parking lot near a local tavern as she was walking out !!! And in that un-mistakable voice asking us "WHAT THE 'F' were you guys thinking??" We laughed, she laughed and gave us that look , you know the boys will be boys look!!! God bless you Sue, I will never forget your smile or your big sister care!!! Love J.W.

Our hearts are broken...I have known Susie since we were rowdy teenagers and only remember the best of times. She quickly became one of Dan's favorites when we moved back to the area 28 years ago. We always looked forward to good conversation and laughter that made our sides hurt whenever we crossed paths. Loved her laugh! Susie never left anyone out of conversation and was a real "people" person. Just won't be the same without her. She will be missed terribly! Bear hugs of comfort heading out to her loved ones and our dear friends!
