“ I met Teresa when we worked together at Workforce Solutions. She was a dear friend and we shared many life stories and many laughs. We just got back in touch through FB not to long ago. I was telling her that when I make her Spanish rice dish I always think of her. Teresa was a kind and caring person, with a big heart, she will be missed. Rest in Peace my friend.

“ *Linda, Shelly, Amy & Yvonne,*

Sorry for the loss of your sister and mother. She was a very nice women. Always kind and loving to us kids while growing up. I remember running into her while she worked at the unemployment office and when I walked in she lit up and gave me a hug and kiss just as if I had walked into the dinning room for a family gathering. To this day I am still a sucker for those cupcakes she made in the ice cream cones. I will pray that God brings you peace during this difficult time.
