“ Tim was a high school friend I met thru Jack Tartaglia and it turned out he was such a great guy. For what little time in life that I knew him I can't imagine the loss being felt by those who knew him longer. My condolences go out to all those who knew Tim,

“ *Tim will be greatly missed not only by myself but by so many including his classmates of Gloversville High School 1972. He always had a smile since I first met him in junior high school in 1966 and as an adult when we met at the infirmary, in a restaurant, or at a class gathering. He and Debbie were always the first to say they would be attending our GHS events. We will always remember Tim playing the drums for a song at the GHS 1972 reunion's meet and greet in 2016. Sending my deepest sympathy to his family. Rest in Peace, Tim.*
