“ Dear Ruth, Robin, Scott, Maria and Sarah,
I am so sorry to hear the news of Bob's passing. My thoughts and prayers are with you during this difficult time.

I will always remember the fun times I had picking on him - whether it be "biting his lunch box apple", me and Robin making him 'nervous' over the boyfriend front, and the many, many conversations and joking we did around your kitchen table. I am so glad he was a part of my life.
