“ He was always, Little Billy, an annoying pest! But he was cute sometimes. Mom seemed to have a special fondness for him.

Bill, we met in Miss Fredricks class in 1966? Sixth Grade I think. And there was never a dull moment! I think we as Clint Eastwood would say "Made her day" And the poor lunch ladies, well that is a tale for another day...while we lost track of each other over the years, I know that you did life your way. And had a wonderful life and family. My thoughts and prayers are for them, they have lost a very bright lite in their lives.
